Welcome to the MSYSA!

Your request to affiliate with the Maryland State Youth Soccer Association (MSYSA) was reviewed by the MSYSA Executive Director. I am pleased to inform you that your organization's affiliation was approved! Your MSYSA member number is **#A1350**.

Please find the MSYSA By-Laws attached to this email. Additional information can be found on the [MSYSA](#) website under "[About](#)", including the following: Directory of Officers, Directors, Committee Chairs, Office Staff, and Directory of MSYSA affiliated organizations. Below you will find the "new" registration system instructions. Should you have any questions regarding MSYSA membership, please do not hesitate to contact our office at (410) 768-5401.

The MSYSA registration system enables players to register online, permits teams to obtain their rosters and player passes, and provides clubs with access to player data pertaining to all of the players on their teams and in their programs. This system has the ability of providing MSYSA organizations with a complete database of their members. Whether you are a travel club, recreational club or both, the MSYSA registration system can be configured to suit your club's individual needs.

Please get in touch with [GotSport](#) to set up your club's merchant account and ensure that payments can be made online by parents, teams, or by the club. They can be reached at (904) 746-4446 or [Clubs@GotSoccer.com](mailto:Clubs@GotSoccer.com). Please also find our on-boarding links directly on our [website](#) under our "Registration" tab.

**Additionally, the affiliation fee that was submitted with your request is a one-time fee as long as a representative of your club attends the MSYSA Annual General Meeting (AGM).** The AGM is held in January of each year with notice of the meeting sent to the MSYSA member

organizations at least thirty (30) days in advance. If your club is not represented at the AGM, a new affiliation fee must be paid to the state by September 30 of that same year.

The MSYSA provides a tool to all affiliate members designed to aid prospective customers in the process of locating and registering with a club. The tool is accessible from the top left corner of our website ([www.MSYSA.org](http://www.MSYSA.org)) and is labeled "[Find a club near you](#)".

Again, welcome to MSYSA. Our goal is for you to take full advantage of the many benefits that your affiliation with MSYSA gives you. For example, not only are your players covered by K&K Insurance; their safety is also ensured with required background screenings, concussion awareness training and Sexual Abuse Prevention Training of all coaches, administrators, and team officials. Additionally, you are eligible for discounts offered for local and national soccer events and your club representative can meet with the [Director of Coaching Education](#) to discuss a wide variety of coaching topics. Coaching education courses will be available to your coaches at a discounted price and you will be given special considerations should your club choose to host a course. You will be immersed in the MSYSA soccer community and have full advantage of networking opportunities with other clubs. Along with our programs like the [Olympic Development Program](#) (ODP), you will also be able to participate in the Maryland State Cup and the Presidents Cup. I encourage you to check the MSYSA website ([www.MSYSA.org](http://www.MSYSA.org)) frequently for important updates, activities, and programs that are being offered. This will help to keep you informed and guarantee that your club's membership with us is a beneficial and rewarding experience to everyone associated with your organization.

With sincere regards,

Flo Egan
